Rely-On-Us!

## In Establishing...

Rely Limo, we have sought to create a unique, cost-effective passenger ground travel service with a luxury, pristine fleet of vehicles for businesses; Local, National and Worldwide. Our clients are benefiting from one of our "Three Service Class Sectors".

- **Business Class Service**

- **Upper Class Service**

- **Green Class Service**

Each of our three sectors differs by vehicle type and level of service. Our innovative approach maximizes the value our client receives when using ground transportation. We offer easy to use booking options with quick reservation response to meet your busy work schedule. Our skillfully trained, friendly personnel are eager to help 24/7.

*Rely Limo provides exclusive training & screening for its entire chauffeur's  
To earn "The Gold Level Achievement Certification" chauffeurs must have a 92% Pass test ratio*

## The Next Generation Car Service - Need Our App!

Clients recognize that a well-managed operation is a vital factor to guaranteeing success of every Travel or Event transaction placed in our hands. We address these concerns; with over 25 years of experience as specialists in ground transportation, attested by hundreds of satisfied clients. We've developed cutting edge technology and operational efficiency with attention to detail, while emphasizing old fashioned service with a "Personal Touch" that's second to none.
